## James M. Hoak Family Golf Complex

The new, state-of-the-art, James M. Hoak Family Golf Complex is located at Finkbine Golf Course, overlooks the 6th hole and is the exclusive home of Iowa golf.

The facility features the 5,000 square foot Transamerica Performance Studio, highlighted by five indoor-to-outdoor hitting stations, V-1 Video Swing Analysis and Trackman technology. Players can digitally record, analyze and compare their swings and data to learn from the best in the world. The heated hitting stations open directly to the driving range and feature T-Line hitting surface enabling UI student-athletes to work on swing mechanics and full ball flight throughout the entire year, day or night.

The performance studio also includes a 3,150 square foot indoor putting and chipping green that can be modified like a natural grass green, effectively recreating outdoor putting surface conditions.

The Golf Complex includes men's and women's locker rooms, coaches' offices, team lounge and a trophy room that displays the history of Iowa golf. The new 14,000 square foot outdoor putting green, outdoor wedge range and bent grass practice area complete the facility and place it among the best in collegiate golf.

## ***Finkbine Golf Course***

Located on the western edge of The University of Iowa campus, just walking distance from Kinnick Stadium, Carver-Hawkeye Arena and Hillcrest Residence Hall, is Finkbine Golf Course. Started in 1953 and opened in 1955, Finkbine remains a source of great pride and beauty as the home course for the Iowa golf program.

The 7,280-yard, par-72 layout is prized by the University and Iowa City community alike. A tremendous test of golf, Finkbine was the site of the PGA Amana VIP Pro-Am for more than 20 years featuring the PGA's finest as well as national and local celebrities. In 1991 Finkbine also became the host of the Ben Hogan Tour — Hawkeye Open. Collegiately, Finkbine has been the site for the 1992 and 2002 men's Big Ten Championships, the Hawkeye Intercollegiate and the Big Four Invitational.

Built among the rolling hills and elevation changes of Iowa City, Finkbine challenges golfers of every skill level. The Robert Bruce Harris design features sloped greens and sand bunkering on 17 of the 18 holes. The signature 13th hole is an island green surrounded by water offering multiple tee boxes and two greens.

In the fall of 2003, Finkbine renovated the entire golf course with the addition of bent grass fairways and newly grassed greens and tee complexes. The university maintains Finkbine's lush tees, fairways and greens with a state of the art irrigation system. The driving range and practice facility feature four practice greens, short game areas, sand bunkers and a two tier range.

The Iowa golf teams enjoy a dedicated 10,000 sq. foot practice green, two practice bunkers and two newly renovated bent grass practice tees. Offering unquestionable golf facility advantages, Finkbine Golf Course is indeed the proud home of the Hawkeyes.

*The new, state-of-the-art, James M. Hoak Family Golf Complex is located at Finkbine Golf Course, overlooks the 6th hole and is the exclusive home of Iowa golf.*

**BLUE TOP RIDGE**

Designed by world-renowned architect Rees Jones, Blue Top Ridge is a world class golf course, offering breathtaking vistas overlooking two rivers, lakes and diverse terrain. It was voted the No. 51 "Top New Course" in 2010 by Golf Digest.

**BROWN DEER**

Brown Deer Golf Club is conveniently located two miles north of the University of Iowa campus. Brown Deer features water on eight holes that wind through the hills and valleys of Coralville.

**AMANA COLONIES**

The Amana Colonies Golf Course is a championship golf course across 300 acres of stately white oak trees and forests. The course features streams, ponds and striking scenery.

**ELMCREST**

Elmcrest Country Club is a traditional midwestern layout known for its immaculate condition. Zach Johnson, Iowa native and winner of the 2007 Masters, calls Elmcrest his home course.

**CRCC**

The Cedar Rapids Country Club was opened in 1904 and is the only Donald Ross design in Iowa. In 1999, the course underwent a \$5 million renovation and features some of the region's best golf.

**STONE CREEK**

Stone Creek Golf Course has been named Iowa's top nine-hole course multiple times. Stone Creek boasts some of the best greens in the Midwest and offers a challenging golf experience.

**SPIRIT HOLLOW**

Spirit Hollow continues to be ranked by Golf Digest as one of the top courses in Iowa each year. Spirit Hollow has hosted U.S. Amateur and U.S. Open Qualifiers. The facility and staff are great friends of the Hawkeyes.

"I grew up a Hawkeye fan, so I am very grateful to have the opportunity to represent the University of Iowa. The environment at Iowa is so positive. I have great coaches, teammates, facilities, support not only for golf but also academics, and opportunities to play amazing golf courses all over the country."

-Jessie Sindlinger

"I like playing golf for the University of Iowa because I like representing my team on the course. I am able to work hard, and I am given help to succeed. I have amazing teammates who work as hard as me to reach our goal at being number one."

- Shelby Phillips

"What I like best about being a student-athlete on the golf team at Iowa is the support. Whether its coaches, faculty, or just other students, everyone is so proud to be a Hawkeye. Iowa has a huge fan base that spreads all over the country, and being a part of that is something special."

- Nicole Rae

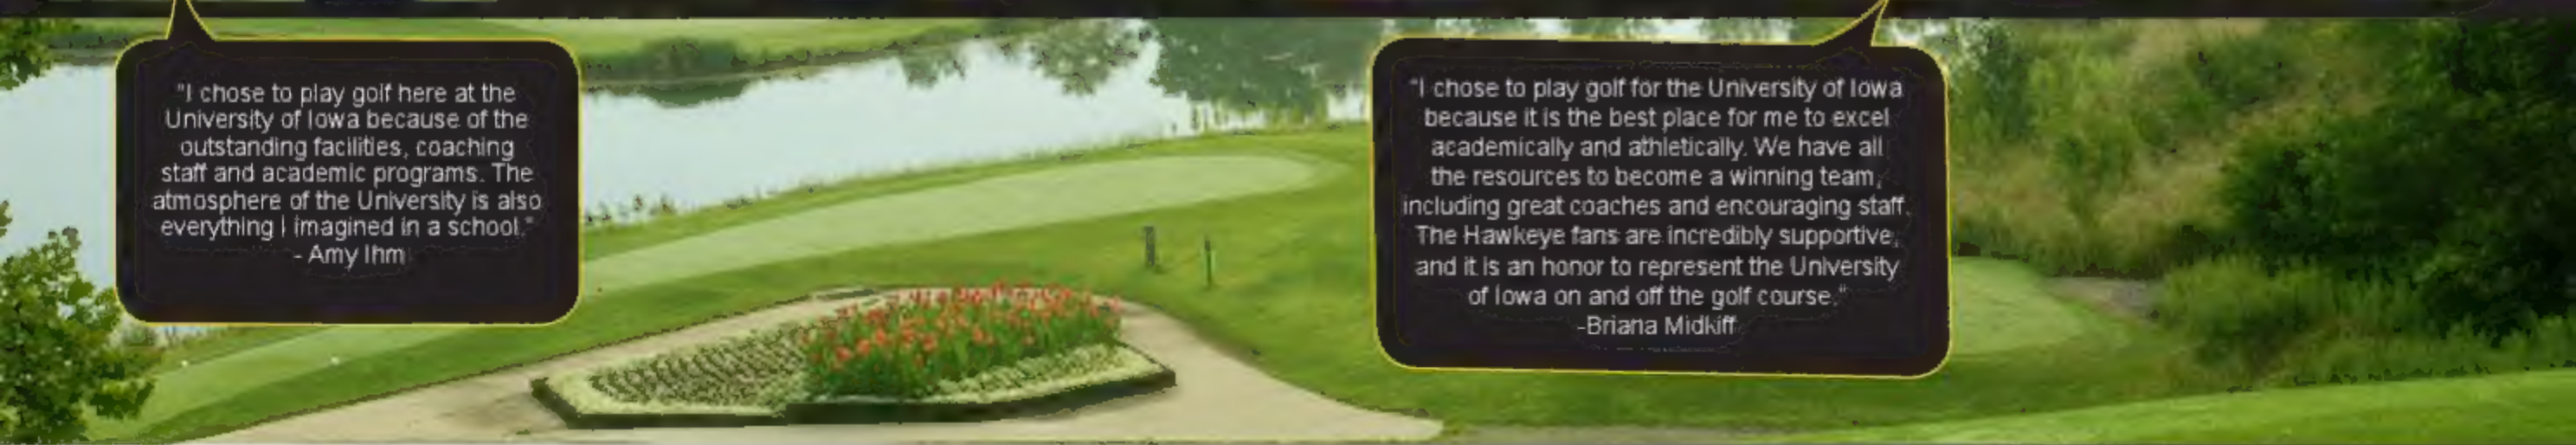

"I chose to play golf here at the University of Iowa because of the outstanding facilities, coaching staff and academic programs. The atmosphere of the University is also everything I imagined in a school."

- Amy Ihm

"I chose to play golf for the University of Iowa because it is the best place for me to excel academically and athletically. We have all the resources to become a winning team, including great coaches and encouraging staff. The Hawkeye fans are incredibly supportive, and it is an honor to represent the University of Iowa on and off the golf course."

- Briana Midkiff

## MEGAN MENZEL

HEAD COACH  
FOURTH SEASON

Megan Menzel is in her fourth year as the head coach of the University of Iowa women's golf program in 2014-15. Menzel joined the Hawkeyes in Aug. 2011 after serving as a teaching professional at the Denver Country Club from 2009-11.

Menzel's third year in Iowa City (2013-14) was highlighted by a record-breaking performance in the spring opener, as Iowa fired an 877 (+15) to establish a new 54-hole school record at the Westbank Invitational on Feb. 23-24. The Hawkeyes' 36-hole score of 585 was good for third overall in Iowa history, and their 18-hole score of 291 tied for fifth. Off the course, Briana Milliff and Nicole Rae garnered Academic All-Big Ten honors.

During her second campaign (2012-13), the Hawkeyes registered six individual top-10 finishes, highlighted by Lauren Hagfield's eighth place finish at the Challenge at Orion Creek, which earned her Big Ten Golfer of the Week honors. Off the course, two Hawkeyes -- Gigi DiGrazia and Briana Milliff -- were named Women's Golf Coaches Association (WGCA) All-American Scholars. Student-athletes must carry a minimum cumulative grade point average (GPA) of 3.50 to be selected to the All-American Scholar Team. DiGrazia earned Academic All-Big Ten honors and was also honored by the Big Ten Conference with the

**Distinguished Scholar Award** -- the Distinguished Scholar Award is presented to student-athletes who have earned a minimum grade-point average (GPA) of 3.7 or higher for the previous academic year.

In her first season as the head coach of the UI women's golf program (2011-12), Menzel's squad improved, both on the course and off the course. The Hawkeyes recorded top-five finishes in five out of 11 tournaments, including a first place finish at the Wyoming Cowgirl Classic. Additionally, Menzel's team had seven individual top-10 finishes, highlighted by two runner-up finishes by Chelsea Harris and Kristi Cardwell. In the classroom, Gigi DiGrazia earned Academic All-Big Ten honors.

Menzel brings a wealth of collegiate coaching experience with her to Iowa City, having served as the head coach at three separate institutions -- Boise State (1998-99), Colorado State (2000-2002) and Kansas (2002-04).

During her most recent coaching stint with the Jayhawks, Menzel recruited the first individual conference champion at IU, while helping the program improve its overall conference and national rankings. She also initiated an \$800,000 fundraising effort to improve the Kansas facilities and created the program's booster organization.

After two seasons in Lawrence and five seasons as a head coach, Menzel resigned her post as the Jayhawk's head coach to focus on her growing family. Menzel returned to the golf teaching duties as the assistant golf professional at Lawrence Country Club from 2007-08. In April 2009, she joined the golf teaching staff at the Denver Country Club in Colorado.

Menzel's first coaching opportunity came at Boise State, where she was in charge of the program during the 1998-99 campaign at the age of 23. She recruited the first ever individual NCAA Regional qualifier in Broncos history.

Following one season in Boise, Menzel took over as head coach at Colorado State in July of 2000. During her stint with the Rams, she recruited and coached the 2002 Mountain West Conference individual champion. Her squad qualified for NCAA Regionals in 2001 and 2002 and claimed the 2001 CSM Invitational team title.

Academically, Menzel's teams led the CSM Athletics Department in cumulative grade point average during the 2001 season, and she coached three academic all-conference student-athletes during her stint at the school.

Menzel played collegiate golf at the University of New Mexico from 1995-97, where she led the Lobos to three Western Athletic Conference titles (1994, 1995, 1996). The two-time team captain (1995, 1996), was a two-time academic all-conference selection, while being named the 1996-97 Bank of America Academic Athlete of the Year.

Menzel graduated from New Mexico in 1998 with a bachelor's degree in elementary education. She is an USGA Apprentice and A.C.E. certified personal trainer. She also holds golf fitness certification levels I and II from the Tiltiest Performance Institute.

Menzel, who was born in Cedar Rapids, Iowa, is married to Craig Menzel and the couple has three children -- Kennedy, Collin, and Haden.

## **TODD SELDERS** **ASSISTANT COACH** **SECOND SEASON**

Todd Selders, who has more than 20 years of experience as a college and prep golf coach, is in his second year as assistant women's golf coach at the University of Iowa.

Selders' first year in Iowa City (2013-14) was highlighted by a record-breaking performance in the spring opener, as Iowa fired an 877 (-13) to establish a new 54-hole school record at the Westbrook Invitational on Feb. 23-24. The Hawkeyes' 36-hole score of 585 was good for third overall in Iowa history, and their 18-hole score of 291 tied for fifth. Off the course, Briana Midkiff and Nicole Roe garnered Academic All-Big Ten honors.

Selders joins the Iowa staff after serving as assistant women's golf coach at North Carolina State for the past two years. North Carolina State placed second in the Atlantic Coast Conference Tournament in 2013 and advanced to NCAA regional competition.

North Carolina State won three invitational tournament titles in 2012 while also qualifying for the NCAA regional tournament. The Wolfpack advanced through regionals to the NCAA Championships, placing 13th in the nation.

"I am very excited to have Todd join our staff," said Menard, in making the announcement. "Todd brings excellent experience to our staff and has proven through the years to be an outstanding recruiter. I know Todd will help us continue make the climb in the Big Ten and nationally. Todd is very respected by his peers across the country and has proven at every step along the way to be effective. I know he will be a great fit for us here at Iowa."

On the collegiate level, Selders was the associate head coach for the men's golf program at Coastal Carolina in 2011 after serving as the head women's golf coach at Southern Methodist University for 11 seasons (2000-10). He served as assistant men's golf coach at Oklahoma from 1997-2000. His SMU teams advanced to NCAA regional play in four seasons. His team placed second in the 2006 Conference USA championships. Selders was Coach of the Year that season and also the WAC Coach of the Year in 2004.

Prior to joining the college coaching ranks, Selders taught and coached in the Mansfield Independent School District in Mansfield, Texas. He was the District Coach of the Year on three occasions (1993-95) and served as vice-president of the Texas Golf Coaches Association from 1996-98. Selders was an assistant professional and junior program coordinator at Walnut Creek Country Club in Mansfield (1989-94). He has assisted with summer junior golf camps at the Hank Haney Golf Ranch in McKinney, Texas since 2008.

Selders, a native of Edmond, Okla., earned his bachelor's degree from Central State University in Edmond, Okla., where he was a four-year member of the golf team and a member of the Hank's Honor Roll, and later earned his master's degree from SMU.

## **JESSIE JORDAN**

**SENIOR**  
**URBANA, OHIO**  
**URBANA**

2013-14 – Did not see action.

Hawk Item – Transferred to Iowa from Wisconsin.

2012-13 at Wisconsin – Did not see action.

2011-12 at Wisconsin – Redshirted.

High School – Three-time second team All-Ohio honoree...placed sixth with a 79-75-154 at the Division II Ohio State High School Golf Championship while leading her team to a sixth place finish on the Ohio State University Gray Course...qualified for the U.S.G.A. #### **GARY BARTA** ATHLETICS DIRECTOR

Gary Barta is entering his ninth year as director of athletics at the University of Iowa and his 27th year as a university leader.

The 2014-15 athletics season at the UI will build on significant momentum gained a year ago.

As a result of historic success competitively, academically, and in positive community impact displayed by Iowa coaches, student-athletes, and administrators. Last year also included record-setting fundraising support and corporate participation, as well as the completion of facility construction projects critical to the long-term success of the Iowa Hawkeyes.

Program and success on the fields, courts, tracks, and mats was significant in 2013-14. A return to participation in a postseason bowl game by the Iowa football team, a return to the NCAA Tournament by the UI's men's basketball team, a 4th place national finish in wrestling, the seventh straight NCAA Tournament appearance by Iowa women's basketball, an invitation to the postseason Big Ten Tournament by the Hawkeye baseball team, postseason NCAA competition for Iowa's men's golf, and the UI's track and field men's and women's track and field teams, and a historic first time invitation to the NCAA Tournament for women's soccer highlighted the 2013-14 year competitively for the UI.

In fact, only six other programs in the country in addition to the UI had its football team appear in a New Year's Day bowl, and both its men's and women's basketball teams compete in the NCAA Tournament.

Academic success by the more than 600 student-athletes who participate in 24 sport programs has always been one of the very highest priorities at the University of Iowa and remains so today under Barta's direction. That commitment to the "student" in "student-athlete" resulted in a record-setting

NCAA Graduation Success Rate (GSR) of 88, a mark that was a full seven percentage points better than the national average. The GSR's for Iowa's football (81), men's basketball (88), and women's basketball (91) all bested the national averages for their sport: 70, 68, and 86, respectively.

In addition, the NCAA's 2013 graduation report also revealed that Iowa's federal graduation rate of 72 was seven points better than its peers nationally and two points better than its peers on the UI campus. Paced by all-time high Academic Progress Report (APR) scores in nine sports programs, all of the UI's intercollegiate athletics programs were determined by the NCAA in spring 2014 to be achieving at a rate academically that surpassed the national benchmark.

Barta also believes strongly that his staff and student-athletes contribute to the community. That commitment manifests itself in literally thousands of hours of community service annually. The Hawkeyes' efforts in 2013-14 include a leadership role in "Hewy on Parade," the largest public art program staged in the state of Iowa which the UI Athletics Department executes in cooperation with the Iowa City Corvallis Convention and Visitors Bureau. It is anticipated that the Parade will bring tens of thousands of visitors to the greater UI, Iowa City, Corvallis, and North Liberty community this spring, summer, and fall, and a six-figure contribution to the United Way of Johnson County and the United Way of Washington County when the project is completed.

The UI Athletics Department also stages an annual "Day of Caring" each April where student-athletes of all 24 of the UI's sports teams provide assistance to a wide variety of not-for-profit organizations. The UI football program also stages annually the Iowa Ladies Football Academy. That effort has generated more than \$1 million of support for the new University of Iowa Children's Hospital.

These are two of the most public annual activities of community support by the Hawkeyes, who also make regular visits to the UI Hospitals and Clinics, and local elementary schools.

A closer look at the 2013-14 athletics year reveals the following successes:

- Dan Bailey's Iowa women's soccer team opened its season with eight straight victories, advanced to the championship game of the 2013 Big Ten Soccer Tournament, and received the first invitation to the postseason national

championship in school history. The Hawkeyes also established a school record for attendance when more than 1,500 were on hand for Iowa's 3-0 victory over Iowa State in the annual Jaym Cym Cy-Hawk Series match.

• Kirk Ferentz's Iowa football team doubled its win total from the previous season, won three "Trophy Games" — the Iowa Corn Cy-Hawk Series, Floyd of Rosebale, and the Hy-Vee Heroes Game — all on the road, and ended the regular season with victories over Michigan and at Nebraska en route to an invitation to the 2014 Outback Bowl. It marked the 12th bowl game and seventh January bowl game under Ferentz and signaled a return to the national stage for the Hawkeyes. It also came with an extra bonus: The Hawkeyes travelled to Tampa as one of just 17 bowl-bound college football teams with a Graduation Success Rate (GSR) greater than 80 (Iowa's was 81) and as the highest ranked Big Ten team participating in a bowl game, according to GSR.

• Lisa Muder's Iowa women's basketball team won a school-record-tying 27 games — including 14 on Mediacom Court in Carver-Hawkeye Arena en route to its seventh straight appearance in the NCAA Tournament, a number that only 13 other programs across the country can match. Postseason play was particularly fun for the Hawkeyes: Iowa won three games in advance to the championship game of the 2014 Big Ten Tournament and won its first round game in NCAA Tournament play for the second straight season.

• Fran McCaffery continued his revitalization of the UI's men's basketball program by guiding the Hawkeyes to their first NCAA Tournament in seven years. The Hawkeyes won 20 or more games for the second straight season and climbed as high as 10th in the national rankings. The Hawkeyes' 2013-14 season came to an official close in June when Deyan Mordic was selected in the second round of the NBA Draft. Mordic became the first Hawkeye to be selected in the draft since Adam Haluska's selection in 2007.

• Tom Brandt's Iowa wrestling team crowned one national champion and had six Hawkeyes earn All-American status en route to a fourth place finish at the 2014 national championship.

• Nick Heller surprised the country by guiding the Hawkeye baseball team to 30 victories and participation in the 2014 Big Ten Baseball Tournament — in his first season as the UI's head coach. It was Iowa's first appearance in the league's postseason tournament in four years. Five Hawkeyes were named All-Big Ten and three were selected in the 2014 Major League Baseball Draft.

• Mark Mayhew's men's golf squad made it six straight postseason invitations when the Hawkeyes were sent to participate in the 2014 NCAA Regional in Columbia, Mo. The Hawkeyes advanced

on the strength of a regular season that included three first-place finishes and a third-place finish at the 2014 Big Ten Conference Championship, a performance that included the low team score for the month's final round.

• Long-time director of track Larry Wicczanski announced his retirement the week before Iowa sent 11 student-athletes to compete in eight different events at the 2014 NCAA Division I Track and Field Championships. The Hawkeyes responded with all earning All-American status including senior Zimela Miller, who was honored for her efforts in the long jump and triple jump, and freshman Britney Davis, who was honored for her success in the 200-meter and as a member of Iowa's 400-meter relay team.

The year was also busy administratively for Barta with the hiring of a new deputy director of athletics — Gene Taylor, the long-time director of athletics at North Dakota State University who began his career at the United States Naval Academy — the hiring of Iowa City native David Stymand to lead the men's volleyball program, another Iowa City native, Jerry Woody, to fill the vacancy created by the departure of Wicczanski, and Dave Dilmore, the long-time coach of NCAA Division II women's soccer at Eastern Valley State to lead the Hawkeyes.

Stymand has had tremendous success since beginning his coaching career at Eastern Valley State in Iowa City, most recently as the head coach at Marquette. Woody, a four-time All-American himself, has played an instrumental role in Iowa's recent successes on the track with coached four men's track and field for the Hawkeyes. Dilmore compiled a 221-16-16 record at EVC, guiding the Lakers to three NCAA Division II national championships and seven Great Lakes Valley Conference titles in eight seasons.

The Hawkeyes' success academically and in competition also fueled interest in the Hawkeyes, matched by less than a handful of Iowa's peers: The UI is one of only four programs in the nation to have its football, men's basketball, and women's basketball programs all rank among the nation's top 10 in attendance.

Iowa also once again led the nation in attendance for wrestling and continues to rank among the leaders in Facebook and Twitter resources, and also traffic to its official world-wide web site, [hawkeyesports.com](http://hawkeyesports.com). In fact, 2013-14 was the busiest athletics year in the history of [hawkeyesports.com](http://hawkeyesports.com) in terms of unique visitors (4.3 million) and the second busiest in terms of total pages downloaded (72.8 million).

Barta and his staff have successfully leveraged the burgeoning interest in the Hawkeyes to drive fundraising and corporate support of the UI Athletics Department to record levels. Private gifts to the National I-Club for annual giving and support of capital projects exceeded \$28 million in 2013-14. Participation in the offerings of Hawkeye Sports Properties, the exclusive multi-media partner of the UI Athletics Department, resulted in a record \$6.1 million of revenue in 2013-14.

These sources of income help Barta to fund an \$85 million annual operations budget, a budget that is 100 percent self-generated — the UI receives no state tax dollars to operate its intercollegiate athletics program — and balanced in spite of scholarship costs that will easily exceed \$10 million in 2014-15. The UI Athletics Department also is responsible for such things as medical expenses for its student-athletes (\$800,000 in 2013-14), the cost of utilities to operate its facilities (\$400,000 last year), and, of course, salaries and benefits for the more 200 full-time employees.

Barta has also used private and corporate support to enhance the infrastructure used by Iowa's sports programs. For example, the Hawkeye football program will move into the \$55 million state-of-the-art Richard D. Jacobson Football Operations Building that includes the Stew and LeMare Hansen Football Performance Center in late summer. To date, more than \$35 million of private support has been generated for this important project.

Completion of the home of the nationally ranked Iowa football program will mean the UI Athletics Department will have invested more than \$220 million in construction and renovation under Barta's leadership. The list of projects completed under Barta's direction includes an investment in technology at historic Kinnick Stadium that includes a new sound system to be installed prior to the 2014 season, construction of the Hawk Family Golf Complex, the revitalization of Carver-Hawkeye Arena, construction of the P. Sue Beckwith, M.D., Bathhouse, the UI Athletics Department's contribution to the construction of the Campus Recreation and Wellness Center, replacement of the turf at Grant Field, installation of artificial turf at Duane Banks Field, and resurfacing of the outdoor courts at the Hawkeye Tennis and Recreation Complex.

The work is not complete, however. The UI Athletics Department this fall will begin installation of a new videowall, outfield fence, and artificial turf in the outfield of Duane Banks Field. Barta and his team are busy investigating the finalization of a master facilities plan that includes the expansion of "Hawkeye Campus," the current home of the Iowa field hockey and soccer programs, UI Sports Medicine, the UI Athletics Hall of Fame and Museum, a new indoor turf facility that also includes an outdoor surface to be used as the practice field for the Hawkeye Marching Band, and the Hawkeye Tennis and Recreation Complex located on the far western edge of the UI's campus adjacent to the UI's Finkbine Golf Course and near the UI's Ashton Cross Country Course.

Barta's involvement in the UI campus and the greater Iowa City communities extends far beyond his position as director of the UI's intercollegiate athletics programs. He is a member of the President's Cabinet, comprised of vice presidents and other campus leaders that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008 and will be directly involved in positioning the UI for growth in the immediate and long-term future as the institution adjusts to a shift in the funding model used by the State of Iowa's Board of Regents.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his tenure at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Barta remains active on the Conference and NCAA level. He is involved in committee work with NCAA Football, the Division IA Athletic Directors Association, and is an ongoing participant in the National Association of Collegiate Directors of Athletics (NACDA).

Barta is also involved in a variety of community groups, including the United Way of Johnson County and the Partnership for Alcohol Safety, a joint effort between UI campus leaders and the City of Iowa City.

Barta often suggests to his staff that "Hope is not a strategy," which is why the Department has just completed a comprehensive review and rewriting of the strategic plan for the UI Athletics Department and continues to work with the UI's leadership on a long-term financial plan.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams.

The roots of his development experience extend to his first two positions: director of development at his alma mater, North Dakota State University, and director of athletics development and external relations at the University of Northern Iowa.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (16) and a daughter, Madison (14). He was born Sept. 4, 1963, in Minneapolis.

## IOWA CONTINUES TO BUILD FOR SUCCESS

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2013-14.

Academically, the UI's federal graduation rate of 72 percent (for student-athletes who enrolled in the fall of 2006), meaning UI student-athletes have graduated at a rate of 70 percent or better in four of the last five years. That mark was two points better than the UI student body and seven points better than achieved by student-athletes nationally. For the fifth consecutive year, all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark and the program posted a record 88 percent in the NCAA's "Graduation Success Rate." It is the eighth time in nine years of the GSR's existence that Iowa's student-athletes posted 80 percent or better.

Athletically, Hawkeye teams enjoyed another outstanding year in 2013-14, as a significant number of Iowa's 24 programs reached postseason play. The Iowa football team played in the 2014 Outback Bowl, the UI men's basketball team advanced to the NCAA Tournament for the first time since 2006, the women's basketball team competed in the NCAA Tournament for its seventh straight season and the wrestling team finished fourth at the NCAA Championships.

In March 2014, the UI rolled out the new AstroTurf infield playing surface, marking the beginning of the stadium transformation at Drake Bank Field. The project will continue this fall with the installation of turf in the outfield, a video board and new scoreboard at the facility. Iowa dedicated the 4,200-square foot James M. Hawk Family Golf Complex state-of-the-art golf facility in 2013, a project that came on the heels of the completion of a \$47 million revitalization of Carrier Hawkeye Arena in the summer of 2011.

After completing phase I of the project for the UI football program in August, 2012 — a new indoor practice facility — the second phase will be finished this fall. Phase II includes construction of the new Iowa Football Operations Center, which will include new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important next phase of the master facilities plan for Hawkeye football.

## IOWA FOOTBALL

The Iowa football team posted an 8-5 record in 2013, which included a berth in the 2014 Outback Bowl. The Hawkeyes placed second in the Big Ten's Legends Division and they were one of six BCS conference teams to improve by four victories or more from the 2012 season.

## IOWA WOMEN'S BASKETBALL

UI head coach Lisa Bluder guided the Hawkeye women's basketball team to its seventh-straight NCAA Tournament in 2013-14. The Hawkeyes advanced to the Round of 32 following an opening-round victory over Marist and finished 27-9 overall. The 27 victories were tied for the second-most in program history and were the most since 1996. Iowa is the only Big Ten team to appear in seven consecutive NCAA tournaments and one of 14 schools nationally.

Iowa was one of seven schools nationally to have its football team play in a New Year's Day game and have both its men's and women's basketball teams reach the NCAA Tournament during the 2013-14 school year.

## IOWA WRESTLING

The UI wrestling team — the national attendance leader in each of the last eight seasons — finished fourth at the NCAA Championships. Five Hawkeyes earned All-America accolades in 2014, including 133-pound national champion Tony Ramos and Derek St. John, who became the 10th Iowa wrestler to be a four-time All-American. Iowa has claimed 23 national championships since 1975 and 34 Big Ten titles in its history.

## IOWA WOMEN'S SOCCER

The Iowa soccer team won a school-record 15 contests in 2013, won its first two postseason games in program history en route to the championship game of the Big Ten Tournament and made the program's first-ever NCAA Tournament appearance.

## IOWA MEN'S BASKETBALL

Fourth-year head coach Fran McCaffery led Iowa to its second-straight 20-win season and guided the team to the NCAA Tournament — its first berth since 2006. Guard Ray Devyn Marble earned first-team All-Big Ten recognition and became the first Hawkeye since 2007 to have his name called in the NBA Draft.

## IOWA MEN'S GOLF

Head coach Mark Hunsien led the Hawkeyes to their sixth-straight NCAA Regional appearance in 2014 and four student-athletes garnered all-region honors. After rounding out his eligibility, Steven Hurr made his professional debut at the John Deere Classic, made the cut and tied for 27th in his first event as a professional.

## IOWA BASEBALL

The Iowa baseball team won 30 games — the most victories since 2010 — in Rick Heller's first season as head coach. The Hawkeyes advanced to and won a game in the Big Ten Tournament and had five All-Big Ten and two NABC All-Region selections. Three players were selected in the 2014 MLB Draft.

## DID YOU KNOW...

45 percent of UI students are from out of state

Ten University of Iowa graduate programs and colleges ranked among the 10 best in the nation, *U.S. News & World Report's America's Best Graduate Schools, 2013*

With over 30,000 students in a city of roughly 75,000, UI offers a different atmosphere than many other universities in the Big Ten or the Midwest.

The unemployment rate in Iowa City (4 %) ranks among the nation's lowest. (May, 2012)

Building on a rich tradition of excellence and innovation, the University of Iowa is educating more than 30,000 students annually, preparing them for success immediately following graduation, as well as continued achievements throughout their lives.

The University of Iowa offers more than 100 areas of undergraduate and graduate study, including seven professional degree programs, through its 11 colleges: the colleges of Liberal Arts and Sciences, Business, Dentistry, Education, Engineering, Law, Medicine, Nursing, Pharmacy and Public Health, and the Graduate College. The University also provides non-campus 200+ distance learning opportunities through its division of Continuing Education.

Long recognized as one of the nation's leading centers for the arts, astronomy, space physics, hydraulics, basic health and science education and communication studies, the University of Iowa is also a leader in strengthening the information sciences, simulation technology and other fields.

The University of Iowa maintained its tradition as an innovator in speech pathology, science and medicine. Internationally for being home of one of the nation's largest medical hospitals.

## CULTURAL DIVERSITY AT THE UNIVERSITY OF IOWA

The University of Iowa has worked hard to assure that students of all races, creeds, and backgrounds are represented in the student body. In the past five years, Iowa has moved aggressively towards its goal of creating communities of African American, Hispanic/Latino (a), Asian American and Native American students, and making the University a stimulating, welcoming place.

The Center for Diversity and Enrichment is a coordinated university-wide resource for creating and maintaining this campus diversity and providing opportunities for all University students interested in other cultures. Scholarships, fellowships, and support programs help to make this possible. International Programs brings together scholars from around the world and UI students looking to expand their perspectives by studying abroad or exploring global issues on campus. International students at the University of Iowa represent more than 100 countries.

## HOW THE UNIVERSITY OF IOWA MEASURES UP

"Designated as a 'best buy' eight years in a row" — *Insider's Guide to the Colleges, 2013*

28th best public national university — *U.S. News & World Report, 2013*

"Professors make themselves accessible and possess a genuine interest in students' experiences," — *Insider's Guide to the Colleges, 2012*

10 University of Iowa graduate programs and colleges ranked among the 10 best in the nation — *U.S. News & World Report's America's Best Graduate Schools, 2012-13*

University of Iowa Hospitals and Clinics ranked as one of "America's Best Hospitals" — *U.S. News & World Report, 2012*

One of the top five college towns in America among cities under 250,000 — *American Institute for Economic Research, College Destination Index, 2010-11*

### CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of Iowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, Iowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

Iowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, Iowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

Iowa City is located in the heart of eastern Iowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Omaha, Kansas City, Minneapolis and Milwaukee.

*"Iowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit."*

*"There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake Macbride, north of town. This is no ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."*

*"If there is a star in Iowa, Iowa City is it."*

—DES MOINES SUNDAY REGISTER

*"Iowa City is one of the great college campuses in the country. I love coming to Iowa City!"*

### A CAMPUS ON THE MOVE

The University of Iowa campus takes its pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference.

### STUDENT-ORIENTED NIGHT LIFE

Iowa's campus is set right in the city's downtown area, where you'll find dinner clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

## CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Nearly 90 percent of Johnson County residents have graduated from high school, and nearly half of all residents have earned bachelor's degrees. In fact, Johnson County is the 10th "smartest" county in the nation, based on the percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community and a high quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. In any career field, it's important to identify the gemanatics program that best fits your interests on academics and allows you to take full advantage of the academic opportunities available.

At the University of Iowa, student-athletes learn quickly that academics are a top priority.

## ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic advisors and professors, ensuring the student-athletes the best possible opportunity to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at Iowa, academic personnel play a large role in the career of Hawkeye student-athletes. Beginning with the on-campus visit, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

### **THE RUSSELL AND ANN GERDIN ATHLETIC LEARNING CENTER**

The University of Iowa Russell and Ann Gerdin Athletic Learning Center opened in the fall of 2003. The Learning Center is a multi-level, 20,000-square foot facility, which provides one all-purpose area for the academic pursuits for Iowa's male and female student-athletes. The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for Iowa's Academic Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

When a student-athlete considers her future, she should consider prospects beyond golf. She should consider where she wants to be five, ten, fifteen years from today, and the best course of action for getting there. Also, she should decide early on to commit to excellence in every challenge undertaken.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of Iowa undergraduates have gone on to become leaders in their chosen fields.

## BUSINESS

**Leland C. Adams**  
Former president, Amoco Production Co.

**B.J. Armstrong**, Iowa Lettman, 1906-09  
Vice-President of Basketball, Wasserman Media Group  
NBA All-Star, 1994  
Three-time NBA Champion, Chicago Bulls

**John J. Bailes**  
Former president, Federal Reserve Bank of San Francisco

**Matthew Buckbaum**  
Former CEO & Founder, General Growth Properties

**Arthur A. Collins**  
Founder, Collins Radio (Rockwell Collins)

World recognized pathologist

## FIRST ADVANCED DEGREES IN THE UNITED STATES

African-Americans who received advanced degrees from the University of Iowa, who were also the first in the United States to receive that particular degree:

**Alexander Clark, Jr.**  
1879, law degree

**Elizabeth Catlett**  
1940, master's in art

**Lulu Johnson**  
1941, Ph.D. in history

**Oscar Anderson Fuller**  
1942, Ph.D. in music

**Lila Ann Aborn**  
1972, Ph.D. in chemical engineering

**Lisa Florin**  
1989, Ph.D. in pharmacology

### THE HAWKEYE NICKNAME

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval. Herky The Hawkeye.

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.
